

We would also like to say a huge thank you to everyone that helped put together our Easter/Spring events including the Spring Play, Easter Egg Hunt, Bonnet parade and Lucky Draw as a result of everyone's hard work and contributions we managed to raise over £425 which among other things will be put towards our new Pre-school sign that will be on display soon, along with a new school laptop that will be purchased for the new school year. The Pre-school also made it into the Medway Messenger with a couple of lovely photo's taken on the day of Charlie, Marni, Edie and Layla Azizi. We're very proud to have the children's talents and Pre-school mentioned and a copy of this can be seen on our Facebook page or in school.

Can you help?

Snack Food Donations!

We had a great response before Easter and are really grateful to all those that contributed. A new sheet has been placed on the board and split into weekly sections to try and spread the offerings out. For those that can, please write your name next to the item/ week that you will be donating. Fresh Fruit is best at the beginning of the week.

A big thank you

On Tuesday 5th May we held our annual sponsored event where the children took part in an obstacle relay completing a whopping 10 laps each. Thank you to all those that sponsored the children, they all put in a great effort and had a fab time completing the course. Any further donations can be given to Wendy Perkins.

We are now starting to look towards our summer events and most importantly the Graduation and Teddy Bear's picnic/Summer fair. We will need lots of volunteers to help run this event as there are simply not enough committee members to man all the stands. We would also be grateful for help securing prizes from local businesses to go into the biggest raffle of the year and once again donations of homemade cakes and biscuits for our refreshments hatch are much appreciated. Idea's and suggestions for stands and ways that we can raise money at this event can be given to Lisa in person or via Facebook.

All parents, grandparents, aunties, uncles siblings and close family friends are invited to celebrate the Graduation & fair. All are welcome and we really want to make this a special day for the children by having all of their favourite people there.

Graduation photos will be available before the event and full details will be sent out to you nearer the time.

Happy Birthda y!
